

**Capitol Chapter AITP**  
**IPA AWARDS CEREMONY**

**April 19, 2011**

It is that time again! Ken and Nita Adams have diligently tracked the Individual Performance Award points earned by our Chapter Members since the last Awards Ceremony. We are taking the opportunity of the April Chapter Meeting to present the below named individuals with their Awards.

Please take a moment to reflect on the effort required to earn these Awards. It speaks well of AITP and Capitol Chapter that we have members willing to dedicate themselves to the many worthwhile activities which earn the required number of IPA points. Please congratulate these Members on their achievement!
